## Claude

### *1. Study Courses*

#### **What types of courses allow a non-EU student to apply for a study visa?**

The usual types of international student status in Croatia include: degree-seeking students (undergraduate, graduate, postgraduate), exchange students (Erasmus+, CEEPUS, bilateral agreements), and guest students (free-movers, short-term study).

[VFS Global](#)

For long-term studies over 90 days, all non-EU/EEA students need a temporary residence permit for the purpose of studying. Eligible institutions include universities, faculties, polytechnic institutions, high schools or secondary education programs, and exchange, internship, or research programs exceeding 90 days. [Adavia](#)

Important: Language programs at schools like Croaticum do not qualify for student residence — you must apply based on "other purposes" instead.

### *2. Embassy Appointment*

#### **How to book an appointment at the Croatian embassy?**

Visa applications can be submitted in person or via email to the diplomatic mission or consulate of the Republic of Croatia in the foreign national's home country. The visa request form can be filled out online, but the paper copy of the form along with

supporting documents should be submitted in person no more than 3 months before the start of the intended visit. [Aidos](#)

Find your nearest Croatian diplomatic mission via the official Ministry of Foreign and European Affairs website: [mvep.gov.hr](http://mvep.gov.hr)

The student visa processing time for Croatia is 4–6 weeks from the day of applying at the embassy. If additional documentation is missing, the processing time may be extended. [VFS Global](#)

### *3. Applying for a Study Visa*

#### **What are the steps to apply for a study visa in Croatia?**

For long-term studies over 90 days, non-EU/EEA students need a temporary residence permit for the purpose of studying, sometimes preceded by a long-stay visa (Type D) if required for entry. [Adavia](#)

#### **Steps:**

1. Get accepted into an accredited Croatian university or institution
2. Book an appointment at your local Croatian embassy or consulate
3. Prepare all required documents
4. Submit application in person and pay the visa fee (~€60 for Type C or ~€46.45 administrative fee for residence permit)
5. **Wait for processing: 4–6 weeks**
6. After arrival in Croatia, register your address within 3 days and apply for a biometric residence card within 30 days

The biometric residence permit (card) is issued only on the territory of the Republic of Croatia, at a competent police station or police administration. [Citizen Remote](#)

### *4. Documents Needed*

#### **What documents does a student need?**

The list of required documents includes: a certificate confirming that the applicant has no criminal convictions issued by the authorities of the passport holder's own country and country of permanent residence — this document cannot be older than 6 months from the date of issue and is required when applying for the first time. [Aidos](#)

Full document list:

- Valid passport (at least 3 months beyond intended stay)
- Completed temporary residence application form (Form 1a)

- Letter of acceptance/enrollment certificate from a recognized Croatian institution
- Proof of sufficient financial means
- Proof of accommodation (rental contract, dorm assignment, or host declaration)
- Valid health insurance
- Criminal record certificate (apostilled and translated into Croatian)
- Passport-size color photo (30×35 mm)

All documents must be translated into Croatian and apostilled. Documents are submitted to the Croatian consulate in person. [St. John's University](#)

### *5. Money Requirements*

#### **How much money does a student need to prove?**

A minimum of €7,200 is required to show means of support for the residence permit application. [Qogentglobal](#)

Visa applicants should be able to prove that they have valid travel medical insurance and means of support during their stay in Croatia, for example through a letter of guarantee, bank statement, or proof of scholarship award. [Aidos](#)

Average monthly living costs in Croatia range from €400 to €800 depending on city and lifestyle.

**Official legal minimum for residence permit: 1,000 HRK (approx. €133) per month for 12 months — total approx. €1,600 per year**

Universities recommend budgeting **HRK 4,000–6,000/month** for realistic living costs (approx. €530–€800)

### *6. Residence Permit*

#### **How does a student apply for a residence permit after arriving?**

Third-country students can submit the temporary stay application for the purpose of studies (Form 1a) to the appropriate police department or police station upon entering Croatia. Students who are third-country nationals are obliged to apply for a biometric residence permit. Third-country students should pay €46.45 to be granted temporary stay, and €31.85 for the production of a biometric residence permit (€59.73 under the accelerated procedure). [Aidos](#)

International students are not allowed to attend classes at a Croatian university until they have procured a temporary residence permit. A third-country national who requires a visa to enter Croatia must apply for student residence abroad. Once granted, they must apply for a D visa to enter Croatia. Both applications can be submitted at the closest diplomatic mission or consulate of the Republic of Croatia. [GMAC](#)

Note: once your residence is approved, you'll need to apply for your biometric residence card within a set deadline — typically 8 days, or **30 days** if you entered Croatia on a long-term (D) visa. [GMAC](#)

AI state a 3-day (72-hour) deadline, but official sources consistently state **48 hours** (or 72 hours during weekends). The EU vs. non-EU distinction is also not addressed.

### *7. Working While Studying*

#### **Can a student work in Croatia? How many hours?**

Outside their study time, students are entitled to be employed and to exercise a self-employed economic activity for a maximum of **20 hours per week**. [Citizen Remote](#)

20 hours/week" is stated as a strict limit. This is partially correct — some university sources state this, while legal analysis suggests no statutory limit exists in the regulatory framework. The 20-hour figure is likely a **university recommendation**, not a legal mandate.

Non-EU students are allowed to work in Croatia using the Student Service administered by Studentski centar (Student Center). [GMAC](#)

Note: Type C (short-stay) visa holders are not granted any work rights — only those with a temporary residence permit may work part-time. [Studies in Bulgaria](#)

### *8. Renewing the Residence Permit*

#### **How can a student renew their residence permit?**

The application for the approval of the extension of the temporary stay permit must be submitted at a jurisdictional police administration/station according to the place of residence, no later than 60 days before the expiry of the validity of the existing temporary stay permit. A third-country national who has applied for the extension of a temporary stay permit before the expiry of the valid temporary stay permit may remain in the Republic of Croatia until the decision on their application becomes enforceable. [Gyanberry](#)

A temporary residence permit is usually granted for a period of one year or for the duration of an academic year. [Italian Consulate](#)

## 9. Changing to a Work Permit

### Can a student convert their permit into a work permit after graduation?

After the completion of studies, third-country nationals have the possibility to stay on the territory for a period of one year, renewable for one more year, in order to seek employment or set up a business. [Citizen Remote](#)

After completing studies in Croatia, a student can apply to stay and work under a temporary residence permit for employment by obtaining a valid job offer or employment contract from a Croatian employer and applying for the new residence purpose before their student permit expires. This must be done at the local police station (Ministry of Interior – MUP) responsible for their area of residence. [GuideBG](#)

Important note: for third-country nationals who have been granted temporary stay for the purpose of university studies, only half of their temporary stay period for university studies is included when calculating the time required for granting long-term residence. [Gyanberry](#)

## 10. Official Information

### Where can a student find official government information?

| Resource                                         | URL                                                                                                                                                                                                                    |
|--------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## 11. Application Forms

### Where can a student download official forms?

- **Temporary stay application (Form 1a):** Available at Croatian consulates abroad or at the local police station/police administration upon arrival
- **Temporary stay registration (Form 1b):** For EEA nationals; available at the police station
- **Online visa form:** Available via the Croatian Ministry of Foreign Affairs website at [mvep.gov.hr](http://mvep.gov.hr)

- **Study in Croatia portal:** [studyincroatia.hr](https://studyincroatia.hr) — contains all relevant links and guidance

## 12. Tips for Students

### Most common mistakes and how to avoid them:

| Mistake                                                               | How to Avoid                                                                                              |
|-----------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------|
| Enrolling in a language course expecting a student residence permit   | Only accredited university and secondary school programs qualify — language schools do not                |
| Not registering address within 3 days of arrival                      | Register at the local police station immediately after moving in                                          |
| Missing the 30-day biometric card deadline after entering on a D visa | Apply for the biometric card as soon as you arrive                                                        |
| Submitting untranslated or non-apostilled documents                   | All documents must be translated into Croatian and legalized before submission                            |
| Waiting too long to renew the permit                                  | Submit renewal application at least 60 days before expiration                                             |
| Expecting to work freely on a Type C visa                             | <b>Only temporary residence permit holders may work part-time (max 20 hrs/week)</b>                       |
| Not switching status before student permit expires                    | Apply for a work residence permit before your student permit runs out if planning to stay post-graduation |

"Working while studying" with a 20-hour limit — not confirmed as a legal requirement; may be university recommendation

## Gemini

### 1. Study Courses

To apply for a Long-Stay Study Visa (and subsequent temporary residence) in Croatia, non-EU third-country nationals must be enrolled in full-time programs:

- **Higher Education Degrees:** Full-time Bachelor's, Master's, or Doctoral (PhD) programs at accredited Croatian universities or polytechnics.
- **Student Exchange Programs:** Bilateral or multilateral mobility measures (such as Erasmus+ or CEEPUS) between foreign and Croatian higher education institutions.
- **Preparatory Language Courses:** Formal, full-time Croatian language programs organized by university-level centers (e.g., *Croaticum* at the University of Zagreb) that serve as a precursor to degree enrollment.

## 2. Embassy Appointment

Applying for a Croatian long-stay visa requires an in-person visit to a diplomatic channel:

- **Croatian Embassy or Consulate:** You must schedule an appointment at the Croatian mission in your country of citizenship or legal permanent residence.
- **VFS Global:** In countries where Croatia has outsourced its visa collection services, appointments must be scheduled directly through the regional VFS Global portal.

## 3. Applying for a Study Visa

Croatia joined the Schengen Zone, making the process highly synchronized with broader European standards. Non-EU students generally apply for a **National Long-Stay Visa (Type D)** alongside or prior to a **Temporary Residence Permit (*Privremeni boravak*)**.

### How to Apply

1. **University Admission:** Apply to a Croatian institution and receive an official, physical *Acceptance Letter*.
2. **Submit Visa Application:** Complete the visa request form online via the Ministry of Foreign Affairs electronic system, print it out, and present it with all physical supporting documents at your embassy/VFS appointment.
3. **Pay Fees:** Pay the base visa administrative application fee (typically **€46.45** to **€93** depending on entry track specifics).

### Timeline

- **When to apply:** Applications should be submitted no more than 3 months and **no later than 30 days** before the scheduled arrival.
- **Processing time:** The process generally takes around **4 to 6 weeks**.

the processing time. 4–6 weeks is the *minimum* in ideal conditions; the realistic timeframe is 6–12 weeks, and official university sources warn of up to 90 days.

## 4. Documents Needed

Before your appointment, you must prepare the following physical, legalized documents:

- **Visa Application Form:** Printed and signed.
- **Valid Passport:** Issued within the last 10 years, containing at least two empty pages, and valid for at least 3 months past your intended departure date.
- **Official Acceptance Letter:** Issued by an accredited Croatian higher education institution.

- **Proof of Accommodations:** Student dormitory housing assignment or a notarized private rental lease agreement.
- **Proof of Health Insurance:** A comprehensive travel medical policy valid across the Schengen area with a minimum coverage of **€30,000**.
- **Criminal Record Check:** A legalized/apostilled certificate of non-conviction from your home country, not older than 6 months.
- **Travel Ticket Reservation:** Return or round-trip flight or travel bookings.
- **Passport Photo:** One standard color photograph (30 × 35 mm) or 35 × 45 mm depending on localized consulate specs).

## 5. Money Requirements

You must demonstrate that you possess sufficient financial stability to sustain yourself while living in Croatia without immediate recourse to employment.

- **The Minimum Legal Requirement:** The government mandates that you prove access to financial means of support equivalent to approximately **€400 to €500 per month**. Therefore, a baseline requirement of showing **at least €7,200** in savings for an academic year is standard.

Universities recommend budgeting **HRK 4,000–6,000/month** for realistic living costs (approx. €530–€800)

- **How to Prove It:** Personal certified bank statements spanning 3 months, certified scholarship/grant award letters, or formal notarized letters of financial guarantee from a sponsor accompanied by their financial records.

## 6. Residence Permit (*Privremeni Boravak*)

Your long-stay entry visa allows you to cross the border, but once inside Croatia, you must establish temporary residence.

1. **Address Registration:** You must register your actual physical living address at the local police administration (*Policijska uprava*) or station (*Policijska postaja*) **within 3 days of entering Croatia**. (Note: Student dorms handle this for you; private renters must go with their landlord).

AI state a 3-day (72-hour) deadline, but official sources consistently state **48 hours** (or 72 hours during weekends). The EU vs. non-EU distinction is also not addressed.

2. **Apply for Biometric Card:** Submit your temporary residence paperwork (Form 1a) at the police station.

3. **Fees:** The administrative processing fee for granting the stay card is **€46.45**, plus a layout production fee of **€31.85** for regular processing (approx. 30 days) or **€59.73** for accelerated tracking. An additional state tax of **€9.29** applies.
4. **OIB Number:** You must visit the local Tax Administration (*Porezna uprava*) to be assigned a Personal Identification Number (**OIB**), which is crucial for contracts and student status validation.

## 7. Working While Studying

Yes, international non-EU students holding a temporary residence permit for study can work legally.

- **The Student Service Center (*Studentski Centar*):** Student work is uniquely funneled through the official university *Studentski Centar* (Student Service agency). They facilitate employment contracts using an instrument called the "Student Contract" (*Studentski ugovor*).
- **Hour Limits:** While there is flexible leeway under regular university schedules, you must retain full-time academic progress. Your hours cannot clash with your compulsory lecture workloads.

## 8. Renewing the Residence Permit

Your temporary residence permit is issued for a maximum of 1 year (or the duration of your academic year).

- **When to apply:** You must apply for an extension at the local police station **no later than 60 days before** your current permit expires.
- **Requirements:** A fresh enrollment certificate showing progression into the next academic semester/year, renewed comprehensive health insurance, updated bank statements demonstrating required funds for the incoming term, and current housing lease renewals.

## 9. Changing to a Work Permit

- **Job Seeker Extension:** Upon graduating with a degree from a higher education institution in Croatia, non-EU nationals can apply to extend their temporary residence permit for up to **12 months** to seek a job or look into establishing a business.
- **Work Permit Conversion:** Once you land a formal position matching professional skill sets, your prospective employer applies online via the Ministry of the Interior's system for a Work and Residence Permit (*Dozvola za boravak i rad*), utilizing the formal labor market test framework.

## 10. Official Information

- **Ministry of the Interior (*Ministarstvo unutarnjih poslova - MUP*):** [mup.gov.hr](http://mup.gov.hr) (The ultimate legal authority on residence permits, local police filings, and immigration law).
- **Ministry of Foreign and European Affairs (*MVEP*):** [mvep.gov.hr](http://mvep.gov.hr) (For long-stay Type D visa checklists, entry regulations, and global consular portals).
- **Study in Croatia Official Portal:** [studyincroatia.hr](http://studyincroatia.hr) (The centralized information network backed by the Agency for Mobility and EU Programmes).

## 11. Application Forms

- **Visa Application Forms:** Downloadable for free through the official **MVEP portal** or completed electronically via Croatia's online visa portal ([crovisa.mvep.hr](http://crovisa.mvep.hr)).
- **Residence Permit Forms (Form 1a):** Available physically at local Croatian police departments or downloadable directly via the **MUP application database forms section**.

## 12. Tips for Students (Common Mistakes to Avoid)

- **The 3-Day Rule:** Failing to register your residential address at the local police station within 72 hours of checking into private accommodation can lead to processing delays or financial penalties.
- **Un-translated Police Background Certificates:** Consulates and police stations inside Croatia will outright refuse criminal record clean slates unless they are properly certified (Apostille or legalization track depending on the origin country) and translated into Croatian by a certified court interpreter.
- **Ignoring the OIB:** Trying to open bank accounts or sign rental agreements before visiting the Tax Office to obtain your OIB string will stall your onboarding process completely. Get it immediately upon arrival.

## 1. Study Courses

**Claude:** Lists degree-seeking, exchange, and guest students. States language programs (e.g., Croaticum) do not qualify for student residence. **Correct.**

**Gemini:** Lists higher education degrees, exchange programs, and language courses organized by university centers as part of degree preparation. **Correct.**

**Both: Correct.** Language courses alone do not qualify for a student residence permit; they must be part of a formal university degree program. Exchange programs and full-time university enrollment are the recognized pathways.

## 2. Embassy Appointment

**Claude:** Applications submitted in person or via email to the Croatian diplomatic mission or consulate; appointment required. **Correct.**

**Gemini:** In-person visit to Croatian embassy/consulate required; VFS Global in outsourced countries. **Correct.**

**Both: Correct.** The application must be submitted to a diplomatic mission or consulate in the applicant's home country.

## 3. Applying for a Study Visa (Processing Time)

**Claude:** Says processing takes 4–6 weeks. **Partial error.**

**Gemini:** Says processing takes 4–6 weeks; apply no more than 3 months and no later than 30 days before arrival. **Partial error.**

**Correct Answer:**

- Processing typically takes **6–12 weeks**
- Official sources state the procedure can take **60–90 days**
- Can take **up to 3 months or longer** (including translation time)
- Short-term study visas: **2–4 weeks**
- Applications can be submitted **no more than 3 months** before arrival

**Error:** Both underestimate the processing time. 4–6 weeks is the *minimum* in ideal conditions; the realistic timeframe is 6–12 weeks, and official university sources warn of up to 90 days.

## 4. Documents Needed

**Claude:** Lists: passport, application form, acceptance letter, accommodation, financial proof, health insurance, criminal record, photo. **Correct.**

**Gemini:** Lists same documents. **Correct.**

**Both: Mostly correct.** Details from official sources:

**Correct Answer:**

- **Passport:** Valid; EU citizens can use ID card
- **Application form:** Available online at [crovisa.mvep.hr](https://crovisa.mvep.hr)
- **Acceptance letter:** From Croatian institution
- **Accommodation proof:** Dormitory assignment or rental contract with proof of landlord's ownership
- **Health insurance:** Valid in Croatia
- **Financial proof:** Minimum 1,000 HRK ( $\approx$ €133) per month for 12 months — bank statement or scholarship letter
- **Photo:** 35×45 mm, color
- **Criminal record:** Required for non-EU students; must be translated

**Minor omission:** Photo size (35×45 mm) is specified by official sources.

## 5. Money Requirements

**Claude:** States minimum €7,200; average living costs €400–€800/month. **Incorrect.**

**Gemini:** States €400–€500/month minimum; baseline requirement of €7,200. **Incorrect.**

**Correct Answer:**

- **Official legal minimum for residence permit: 1,000 HRK (approx. €133) per month** for 12 months — total approx. **€1,600** per year
- Universities recommend budgeting **HRK 4,000–6,000/month** for realistic living costs (approx. €530–€800)
- Postgraduate/Research students: approx. HRK 5,000–7,000/month
- Proof can be bank statement or scholarship letter

**Error:** Both AI models state €7,200 as the required amount. This is **not the official government requirement** — the legal minimum is significantly lower ( $\approx$ €1,600/year). The €7,200 figure may reflect recommended living costs, not legal requirements.

## 6. Residence Permit (After Arrival)

**Claude:** Register address within 3 days; apply for biometric residence card within 30 days. **Partial error.**

**Gemini:** Register address within 3 days of entering; apply for biometric card. **Partial error.**

### Correct Answer:

| Student Type | Stay Duration | Registration Deadline                                                 |
|--------------|---------------|-----------------------------------------------------------------------|
| Non-EU       | Any stay      | <b>Within 48 hours</b> (72 hours during weekends) of arrival          |
| Non-EU       | >90 days      | Apply for temporary stay permission <b>within 48 hours</b> of arrival |
| EU/EEA       | >90 days      | Apply for residence card <b>within 90 days</b> of arrival             |
| EU/EEA       | <90 days      | No registration required                                              |

### Additional details:

- OIB (Personal Identification Number) must be obtained from the Tax Administration within 48 hours of arrival
- **Within 30 days** of receiving temporary stay approval, report residence to police — **failure invalidates the permit**
- Address automatically registered for dormitory/hotel stays

**Error:** Both AIs state a 3-day (72-hour) deadline, but official sources consistently state **48 hours** (or 72 hours during weekends). The EU vs. non-EU distinction is also not addressed.

## 7. Working While Studying

**Claude:** States 20 hours/week through Student Service. **Partial error.**

**Gemini:** States work must not clash with compulsory lectures; employment through Student Service. **Correct.**

**Correct Answer:**

- Full-time students can work through **Student Service** (Studentski centar)
- Work facilitated via **Student Contracts** (Studentski ugovor)
- **Minimum wage 2026: €6.56/hour** net
- Night work, Sundays, and holidays: **+50%** pay
- Official sources state students can work **part-time (20 hours/week)** through Student Service
- However, academic research indicates **there is no legal constraint on maximum weekly working hours**

**Error:** Claude's "20 hours/week" is stated as a strict limit. This is partially correct — some university sources state this, while legal analysis suggests no statutory limit exists in the regulatory framework. The 20-hour figure is likely a **university recommendation**, not a legal mandate.

## 8. Renewing the Residence Permit

**Claude:** Renewal application no later than 60 days before expiry. **Correct.**

**Gemini:** Renewal application no later than 60 days before expiry. **Correct.**

**Both: Correct.** A temporary residence permit is usually issued for one year or the duration of the academic year. The renewal application must be submitted before the current permit expires.

## 9. Changing to a Work Permit

**Claude:** Graduates can stay for one year to seek employment; apply before permit expires. **Correct.**

**Gemini:** Graduates can extend residence for up to 12 months; employer applies for Work and Residence Permit. **Correct.**

**Both: Correct.** No errors identified on this topic.

## 10. Official Information

**Claude:** [studyincroatia.hr](https://studyincroatia.hr), [mvep.gov.hr](https://mvep.gov.hr), [mup.gov.hr](https://mup.gov.hr), [home-affairs.ec.europa.eu](https://home-affairs.ec.europa.eu), [azvo.hr](https://azvo.hr). **Correct.**

**Gemini:** [mup.gov.hr](https://mup.gov.hr), [mvep.gov.hr](https://mvep.gov.hr), [studyincroatia.hr](https://studyincroatia.hr). **Correct.**

**Both: Correct.** Official sources verified.

## 11. Application Forms

**Claude:** Form 1a for temporary stay, Form 1b for EEA, online visa via [mvep.gov.hr](https://mvep.gov.hr). **Correct.**

**Gemini:** Visa forms via MVEP or [crovisa.mvep.hr](https://crovisa.mvep.hr); Form 1a via MUP. **Correct.**

**Both: Correct.** Verified.

## 12. Tips for Students

**Claude:** Address registration, document translation, renewal deadline (60 days), work hour limits, permit conversion. **Correct, except work hours.**

**Gemini:** 3-day rule, document translation, OIB requirement. **Correct.**

**Errors:**

- **Claude:** "Working while studying" with a 20-hour limit — not confirmed as a legal requirement; may be university recommendation.

- **Both:** Understate registration urgency — the correct deadline is **48 hours** (not 3 days).
- **Both:** Fail to distinguish EU citizens (90 days to apply for residence) from non-EU citizens (48 hours to register).
- **Gemini** correctly mentions OIB; Claude omits this critical detail — students must obtain OIB within 48 hours of arrival.

## Summary Comparison

| Topic                        | Claude         | Gemini             | Correct Answer                                                                     |
|------------------------------|----------------|--------------------|------------------------------------------------------------------------------------|
| <b>Study Courses</b>         | Correct        | Correct            | Accredited university programs + exchange schemes                                  |
| <b>Processing Time</b>       | 4–6 weeks      | 4–6 weeks          | <b>6–12 weeks</b> ; up to 60–90 days                                               |
